You will be able to book your accommodation for the hotels that 4NCL use ONLY through this process and NOT directly with the hotel if you wish to avail yourself of the agreed 4NCL rates below.

4NCL Rates (as from 1 October 2021)

2021-22 season

£79.00 per room (£39.50pp) for shared B&B accommodation

£69.00 per room for sole occupancy B&B accommodation

Triple and quadruple rooms are often available at the hotels we use. Please enquire with Guaranteed Events.

Dinner rates are between £15 and £20 depending on the hotel. Please check with Guaranteed Events when booking.

We recommend that you pre-book your evening meal in order to take advantage of the discounted dinner rate.

Some of our hotels offer discounted dinner rates for juniors. Please check with Guaranteed Events when booking.

Extra night prices, upgrades and special requests are available and again must be booked through Guaranteed Events at the time of booking, not on arrival.

Payments can be taken by credit card, debit card and BACS transfers. NO credit card or debit card fees are levied. American Express is also accepted.

Booking

Rooms will be allocated on a "first come first served" basis. So if a booking can be catered for within the bedroom allocation for the hotel where play takes place that will be done. If it cannot be catered for within that allocation, the booking will be placed at an overflow hotel.

When you make a booking credit card details will be requested and an invoice issued. Payments can also be made by debit card or BACS transfer (see above).

Payment

Amounts due will be debited to your credit card on the Monday after the weekend.

Cancellation

Rooms can be cancelled without charge up to five full working days before the weekend (and will be reallocated elsewhere). If cancellations take place after this deadline, Guaranteed Events will use their best endeavours to reallocate the room, but if this cannot be done you will be liable for the room cost. In practice, however, demand for rooms is such that the likelihood is that they can be reallocated in almost all cases.

Special Circumstances

Guaranteed Events will do their very best in special/mitigating circumstances to avoid cancellation charges, although this cannot be guaranteed. Guaranteed Events do not aim to benefit financially from anyone's misfortunes.

Other

Evening meals ideally need to be booked along with the room. Dinners can of course be booked directly on site, but any discounted rates will in all probability not be available. Booked dinners will be charged for if not taken. Pre booked evening meals are chargeable in full even if not taken.

Please note that hotel loyalty programmes/cards cannot be used when booking through Guaranteed Events.

Block Bookings

Block bookings will be accepted if accompanied by the captain's/manager's credit card details.

Rooms will be allocated on a "first come first served" basis. So if a block booking can be catered for within the bedroom allocation for the hotel where play takes place that will be done. If it cannot be catered for within that allocation, the block booking will be placed at an overflow hotel.

When a block booking is received a proforma invoice will be issued to the captain/manager. The block booking is not confirmed in the absence of this proforma invoice.

Players can phone up to five working days before the weekend with their own credit card details to pay for their room (or pay by debit card or BACS transfer – see above) if that is the arrangement they have in place with their captain/manager. Invoices will be issued to players at that point.

Captains/managers are liable for any bedrooms not paid for separately by their players.

Amounts due will be debited to players' credit cards on the Monday after the weekend. Amounts due from captains/managers in respect of unpaid rooms will also be debited to captains'/managers' credit cards on the Monday, and an invoice issued for the balance.

Rooms can be cancelled up to five full working days before the weekend (and will be reallocated elsewhere). If cancellations take place after this deadline, Guaranteed Events will use their best endeavours to reallocate the room, but if this cannot be done captains/managers will be liable for the room cost. In practice, as you know, demand for rooms is such that the likelihood is that they can be reallocated in almost all cases.

Names can be changed on existing bookings at any point. However, because hotels are seemingly struggling to cope with late name changes, Guaranteed Events will send final rooming lists to the hotels no later than the Wednesday before the weekend. Any room bookings at this point for which individual credit card details have not been received will be allocated a unique booking reference number. If players contact Guaranteed Events with their credit card details after the Wednesday deadline, they will be given this unique booking reference number to quote when they arrive at the hotel.

Evening meals ideally need to be booked along with the room. Dinners can of course be booked directly on site, but any discounted rates will in all probability not be available. Booked dinners will be charged for if not taken. Pre booked evening meals are chargeable in full even if not taken.

Evening meals and lunch prices are pre booked rates only, to be booked with Guaranteed Events but paid to the hotel upon your departure. You will be asked for your bank card details by the hotel upon check-in so that any additional catering and beverages can be charged to your account and settled when you check out.
